Re: United States v. Gregg A. Bigda and Steven M. Vigneault
Crim. No. 18-CR-30051-MGM

Dear Counsel:

Please find enclosed discovery in the above referenced case labeled with Bates numbers US002002 through US002613. The government makes this production pursuant to the parties' agreed-upon and court-ordered protective order (Doc. No. 29). Certain of the documents are marked as Sensitive Discovery Material, subject to the protective order.

As we have agreed, while the full names of victims and civilian witnesses appear in the discovery, the parties agree to refer to them by their initials in public filings. Additionally, the parties have agreed to protect PII that appears in the discovery as described in the protective order.

We will include a production log with the next production. If you have any questions, please do not hesitate to call the undersigned Assistant U.S. Attorney.

Very truly yours,

ANDREW E. LELLING
United States Attorney
